

A message to ATOM Clinic Attendees.....

Once again, I have been invited to sell my products at your clinic on Saturday, February 5th...

I will have a table displaying items which you may purchase and pick up at the clinic. The items will pertain to track & field usage as well as some non-related closeouts that you may want to take advantage of.

I will try to keep my pricing competitive and will include the taxes and shipping for simplicity of the sales process.

I accept checks and cash but NO credit cards.

If you feel that I will not have an item that you want, please call me in advance so that I may be able to bring it with me when I come.

I will have:

Starter Guns, Starter Blanks, 5" Cones,
Official Flags, Measuring Tapes, Timers,
Printer Paper and More!

Thank you,

Bob Wagner – Dimmer-Warren Ent.
